SOCCER CLUB

Tri Valley SC – DVHS Facility Usage Policy

The Tri Valley Soccer Club has secured the premier sports facility in the East Bay to serve as its base of operations for the 2010 season. Dougherty Valley High School will host a number of club team trainings and games for both the Spring and Fall seasons.

Our agreement with DVHS requires the Tri Valley Soccer Club to adhere to the following usage policies:

- All games and trainings are to take place on pre-approved, designated fields.
- Field / Facility usage must be scheduled and approved in advance of any usage.
- Teams will be provided with permits and are required to carry usage permits for all games and training.
- All spectators will be required to watch the games or events in a designated area and will not be allowed onto the playing field at any time.
- Teams are responsible for storing and locking all equipment in the designated areas once their team activity is completed.
- Teams are required to dispose of all litter on the field and spectator areas.
- When using multi-sport fields (baseball), under no circumstances, are teams or spectators allowed to enter the infield area of the field.
- If there is any conflict with an organized high school activity, TVSC teams and spectators are to vacate the facility at once.
- In training, teams are required to minimize impact or over use of a field, by rotating their training areas.
- If damage occurs, or if there is pre-existing damage to any part of the facility, the head coach / manager is to notify the Director of Coaching immediately!
- Please encourage all participants to treat this facility as if it were their own. By doing so, our Club should enjoy many years of usage of this state of the art facility.
- The rain line number is 925. 973.2817. If our area receives any rainfall within 48 hours of the scheduled usage, please call the above number to verify the field's availability.
- If the rain line indicates that all grass soccer fields or any baseball fields are closed, then usage of our designated fields is strictly prohibited.
