Tri Valley SC Tournament Policy

In an effort to provide the best possible player development atmosphere for all Tri Valley SC players, the Tri Valley Soccer Club requires that all head coaches consult with, and secure, written approval from the Club Director of Coaching before tournament applications can be submitted. The Club Director of Coaching has the sole and exclusive responsibility to approve all tournament selection.

Once the approval is secured, the team manager will have the responsibility to submit the completed application and payment to the pre approved tournament. Once the application is accepted, the head coach must advise the Director of Coaching of the acceptance and provide a copy of the tournament schedule to the DOC.

Tournament selection and approval will be based on the following criteria:

- The tournament must be a Division I level tournament.
- The tournament must be sanctioned by US Club Soccer.
- The tournament must offer a safe and organized atmosphere.
- The level of competition must be within the developmental objectives of the TVSC team applying.
- The fields must be within acceptable standards – quality surfaces to play.
- The selected tournament must have a proven track record of quality organization, quality game officials, team roster integrity, available medical emergency facilities and the adherence to the rules of the game.
- At the completion of the tournament, the attending team manager / coach must provide the DOC in writing the results of the tournament including scores, opponents, and tournament finish / placement.

When a tournament requires overnight accommodations, all teams and staff are required to stay in selected Marriott Hotels. All coaches are required to stay in the team hotel.
